

Bus 30 (Alligator)

SNOW ROUTE

This will be the tentative plan when the District announces that buses will be running SNOW ROUTES ONLY. Bus 30 will stop at the designated stop(s) listed below:

Bus Stop Information

- Bus 30 will run pavement only which consists of the town portion of the bus route and the bus will run at normal times.
- Students who live down Fairview, Whippoorwill, Brookfield, and Young Roads, the bus will not run down those rural roads. Students who live on this part of the route, will have to be transported to school by parents.

When we run Snow Routes only, these are the only stops bus 30 will be making.

Please feel free to contact me with any questions or concerns at

Mr. Blevins at for morning stops or Mr. Curtis at for afternoon stops

Again, this is only when you get a message that we will have school and only be running snow routes. Normally, we have two notifications during winter weather:

- 1.) No School
- or
- 2.) School with Snow Routes

If you do not get either of these notifications, we will have school and run our regular routes.

Thank you,

Cody Curtis and JW Blevins, Bus 30 Drivers
